

SoftSkills Assignment

Module 2)

Technology

1. Discuss plans for upgrading your technology skills.
2. Mention any relevant courses, certifications, or resources you are pursuing.
3. Share your approach to continuous learning and professional development.

- To upgrade my technology skills, I plan to follow the latest updates and best practices through official site and developer blogs.
- I am currently enrolled in the “Flutter & Dart – App Development” course on Tops Tech. In future, I plan to pursue Certifications such as the Google Associate Android Developer Certification to validate my skills.

- And for more information, I actively follow the flutter official website and the Flutter Dev You tube channel for continuous learning .
