SoftSkills Assignment

Module 4)

HR Questions

1. Outlineyour career goals and where you see yourself in the next few years.
2. Detail theroles and industries you are interested in.
3. Highlight specific goals or milestones you aim to achieve.

- As a Flutter developer, I aim to improve my skills, work on innovative projects, and move into a leadership role within the next few years.

- I'm interested in roles that involve building mobile apps, especially in the fields of tech startups, healthcare, finance, and education technology.

- my specific goals include mastering state management techniques like implementing complex UI designs with animations, integrating backend services using Firebase and achieving Flutter certification. Ultimately, I aim to lead the development of a widely adopted Flutter application that enhances user experience and showcases my expertise in mobile app development.
